The domain

The family farm estate on 7.5ha of vines.
Located 10km from the Pont du Gard.

The plots located around the village have been organically farmed since 1973.

The farm produces olives, olive oil and various fruits on 3 ha, from May to October. Cherries, apricots, peaches, nectarines, apples, pears, persimmons and table grapes are also grown organically.

Terroir

Soils of clay and limestone slopes. Blend of limestone scree and rolled pebbles.
Mediterranean climate.

Vinification

Mechanical harvest, destemmed and vinified in concrete tanks, without sulfite. Pressing with pneumatic press. Aged in concrete and stainless steel tanks for 6 months.

Tasting

Some tile notes start to appear. The nose opens on notes of spices. The mouth is on the fruit with a nice freshness and some notes of vanilla.
