

DELACROIX KERHOAS

THEZIERS – GARD - FRANCE

Esquisse rouge 2021

Vin de France Bio – 13,5%

No added sulphites

Grape varieties

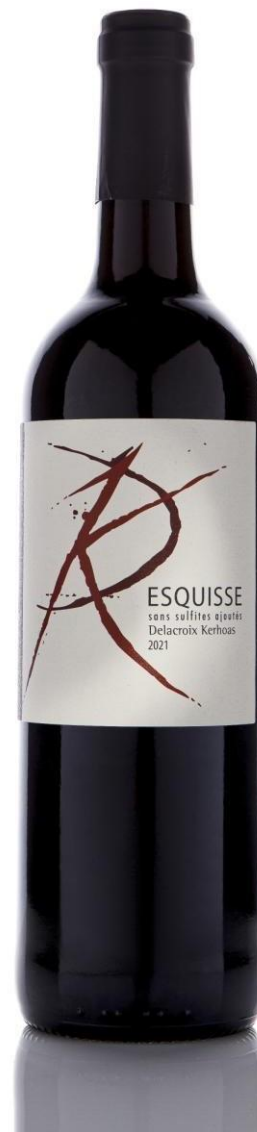

50% Marselan, 20% Niellucio, 20% Grenache
10% Merlot

The domain

The family farm estate on 7.5ha of vines.
Located 10km from the Pont du Gard.

The plots located around the village have
been organically farmed since 1973.

The farm produces olives, olive oil and
various fruits on 3 ha, from May to October.
Cherries, apricots, peaches, nectarines,
apples, pears, persimmons and table grapes
are also grown organically.

Terroir

Terroir of clay-silty plains and stony clays.

Winemaking

Vinification in 2 stages: Short maceration on a Grenache/Niellucio blend to give fruit. Marselan and Merlot in longer maceration for a more structured profile. Vinified in concrete vats, started with a starter. Assembly in December. No sulfur in the cellar, the wines are protected by high doses of CO2 in the vats. No gluing. No added sulphites.

Tasting

The deep red announces the color! The airy nose exudes aromas of red fruits. The mouth is velvety on the fruit, rich and greedy with structure and melted tannins.

Aging: 2 years
