Médaille d'Or au concours Amphore 2022

Esquisse rosé 2021

Vin de France Bio – 13,5%

Grape varieties

50% Niellucio, 50% Grenache

The domain

The family farm estate on 7.5ha of vines.
Located 10km from the Pont du Gard.

The plots located around the village have
been organically farmed since 1973.

The farm produces olives, olive oil and
various fruits on 3 ha, from May to October.
Cherries, apricots, peaches, nectarines,
apples, pears, persimmons and table grapes
are also grown organically.

Terroir

Terroir of clay-silty plains and stony clays.

Winemaking

Rapid bleeding of Grenache and Nieluccio. Cold settling for 24 hours, then gently vinified in stainless steel vats.

No sulfur in the cellar, the wines are protected by high doses of CO2 in the vats. No gluing. Sulphiting at 3g/hL before bottling.

Tasting

This pale pink rosé expresses discreet aromas of small red fruits.

The greedy mouth surprises by its structure and its volume, there are aromas of ripe fruits and caramel.

Aging: 2 years
